Technologies

Multipocket

This item has 5 or more pockets for storing different articles and accessories.

Water repelling

This item has been made from a water repelling material or treated with a water reppeling coating. Coating means an item is made water repelling or waterproof by adding an element like polyurethane or PVC. This technology also ensures that the item repels oil and other dirt.

Duo concept

There is a male and female version for this item. That makes this article perfect for dressing a team that is composed of both men and women.

Phone pouch

This item has a special compartment for carrying

Extra long back protection

This item has an extra

Printer zipper

This item has a printer zipper which makes it even

a cellular phone.

extension on the lower back to prevent any exposure to the weather conditions.

easier to personalize with your own design.
