Technologies

Multipocket

This item has 5 or more pockets for storing different articles and accessories.

Water repelling

This item has been made from a water repelling material or treated with a water reppeling coating. Coating means an item is made water repelling or waterproof by adding an element like polyurethane or PVC. This technology also ensures that the item repels oil and other dirt.

Phone pouch

This item has a special compartment for carrying a cellular phone.

Printer zipper

This item has a printer zipper which makes it even easier to personalize with your own design.
