Technologies

Multipocket

This item has 5 or more pockets for storing different articles and accessories.

Water repelling

This item has been made from a water repelling material or treated with a water repelling coating. Coating means an item is made water repelling or waterproof by adding an element like polyurethane or PVC. This technology also ensures that the item

Phone pouch

This item has a special compartment for carrying a cellular phone.

repels oil and other dirt.

Knee protection

This item has the possibility to add extra padding for the comfort of your knees and is compatible with Herock's knee protectors.

Extendable Hem

These pants have an extendable hem of 5cm that allows you to set your own ideal length and fit.

3 stitches

A stitch is a single turn or loop of thread, or yarn.
