Technologies

Waterproof

This symbol indicates that an item is waterproof or treated with a water-resistant coating. This means that this item is perfectly suitable for work in a wet or humid environment. The “mm”-indication is a scientific measure that shows how much millimeters of water the fabric can withstand in a hydrostatic test without letting a single drop pass.

Windproof

This item is windproof and will protect your body completely against windy weather.

Stoffen

- Flex 2000
