Technologies

Multipocket

This item has 5 or more pockets for storing different articles and accessories.

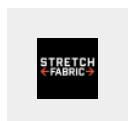

Water repellent

This item has been made from a water repellent material or treated with a water repellent coating. Coating means an item is made water repellent or waterproof by adding an element like polyurethane or PVC. This technology also ensures that the item repels oil and other dirt.

Extendable Hem

These pants have an extendable hem of 5cm that allows you to set your own ideal length and fit.

Stretch fabric

Stretch fabric is a synthetic fabric that stretches.
