Technologies

Multipocket

This item has 5 or more pockets for storing different articles and accessories.

Waterproof

This symbol indicates that an item is waterproof or treated with a water-resistant coating. This means that this item is perfectly suitable for work in a wet or humid environment. The “mm”-indication is a scientific measure that shows how much millimeters of water the fabric can withstand in a hydrostatic test without letting a single drop pass.

Reflective detail

This item has been finished with a reflective detail.

Printer zipper

This item has a printer zipper which makes it even

25 washing cycles
